### **COURSE DESCRIPTION:**

This is a U.S. Coast Guard approved course which meets the requirements of 46 CFR 28.270 and is intended for masters and senior shipboard personnel who are responsible for conducting and supervising a vessel's safety and emergency training program. Covered topics include procedures for conducting and evaluating training drills, vessel emergency party organization, recommended training and drill topics and scenarios, and documentation of training conducted. It is strongly recommended that participants have previously completed NPFVOA's **Fire Prevention and Control** and **Safety Equipment and Survival Procedures** classes or their equivalents.

### **WHAT TO BRING:**

- Rubber soled shoes (i.e. tennis shoes)
- Casual clothes appropriate for outside activities
- Immersion Suit. If you do not have access to one, one will be provided.

### **ATTENDANCE/TUITION POLICY:**

*Payment is due upon receipt of this invoice and prior to class date.*

Cancellation of a class must be made more than 48 hours prior to a class for a complete refund or void of invoice. For cancellations less than 48 hours prior to a class, refunds or voids will be given under special circumstances only. We ask that you either find a replacement or register for a course at a later date. Failure to attend a class for which you are registered will result in a full charge for the class.
